EXPERIENCE

Frontend Engineer
Evolvedev.io

Nov 2024 - 16 Feb 2025
Bangalore, Remote

- Improved user engagement by 20% through efficient UI development with Vue.js, Nuxt.js, React.js, and Tailwind
- Boosted mobile user satisfaction by 25% with responsive design strategies.
- Enhanced application performance by 30% using modern frameworks and optimization techniques.

PROJECTS

Notes Application:

[GitHub](#)

Tech Stack: *MongoDB, Express.js, React.js, Node.js*

- Crafted an intuitive Notes Application with the MERN stack, offering a sleek design with secure authentication, real-time updates, and CRUD operations.
- Ensures seamless data synchronization for a productive user experience.
- Implemented user-friendly features, including category organization, search functionality, and efficient note management for enhanced usability.

Advanced Ticket Management System:

[GitHub](#)

Tech Stack: *React, Chakra UI, Redux, Axios, JSON Server*

- Implemented secure token-based authentication, task management with priority levels, real-time notifications, and seamless UI.
- Enhanced user interactions with external API integration and allowed ticket creation, editing, and deletion.

Chat Application :

[GitHub](#)

Tech Stack: *React, Redux, Context API, Chakra UI, Firebase*

- Integrated secure user authentication, real-time messaging with emoji support, file sharing, and customizable notifications.
- Designed for an optimal experience across devices using Firebase Authentication and Firestore.

EXTRA-CURRICULAR ACTIVITIES

Music Club Coordinator

Masai School

- Organized and led weekly music sessions, fostering creativity and collaboration among students.
- Planned and executed music-related events and performances, enhancing community engagement.
- Encouraged participation by creating a supportive environment, boosting morale and confidence among peers.
